Skilled and detail-oriented **Web Developer** with over 4 years of experience building responsive, high-performance websites using **WordPress**, **WooCommerce**, **PHP**, and modern front-end technologies. Proven ability in developing custom WordPress themes and plugins, integrating third-party APIs, and optimizing eCommerce functionality. Adept at collaborating with designers and marketers to deliver tailored, SEO-friendly solutions. Currently seeking a hybrid opportunity to apply both back-end logic and front-end design precision in a creative team.

Technical Skills

- **CMS & eCommerce:** WordPress (custom themes & plugins), WooCommerce, Magento 2.x, Shopify (basic)
 - **Front-End:** HTML5, CSS3, JavaScript, Bootstrap, Tailwind, jQuery, React
 - **Back-End:** PHP, Laravel, Node.js, REST APIs
 - **Databases:** MySQL, PostgreSQL, SQLite
 - **Tools:** Git, GitHub, Composer, npm, Postman
 - **SEO & Performance:** Technical SEO, site speed optimization, accessibility
 - **Other:** Responsive Design, Cross-browser Compatibility, Agile Teams
-

Professional Experience

Full Stack Developer

Vazgro (Part-time) | May 2025 – Present | London Area, United Kingdom
